KILIMANJARO CLIMB FOR LIFE

March 14 - 24, 2018

PREPARE YOURSELF FOR AN ADVENTURE OF A LIFETIME!

Ever stood on the top floor of skyscraper and thought, “Bah, this ain’t so tall”? Then you might just be Kilimanjaro material.

Join us as we walk in the footprints of famed explorers and mountaineers on our way to the top of Africa’s tallest peak towering at 5,895 metres above sea level. Hike through lush rainforests and alpine deserts. Cross glaciers by day and sleep closer to the stars than you ever dreamed possible by night.

Following a successful summit, Kilimanjaro Climb for Life team members have the option to visit WaterAid project sites in Tanzania to see how their fundraising is changing lives.
